FAQ:

Q1: What is a natural human hair wig? -----

A1: A natural human hair wig is a wig made from real human hair. It is designed to look and feel like natural hair and can be styled and dyed like natural hair.

Q2: How long do natural human hair wigs last?

A2: Natural human hair wigs can last up to a year or longer with proper care and maintenance.

Q3: What are the benefits of wearing a natural human hair wig?

A3: The benefits of wearing a natural human hair wig include a natural look and feel, the ability to style and dye the wig, and the ability to wear it for long periods of time.

Q4: How do I care for a natural human hair wig?

A4: It is important to take proper care of a natural human hair wig to ensure it lasts for a long time. It is recommended to use gentle shampoos and conditioners, avoid harsh chemical treatments, and use a wide-tooth comb to detangle the hair.

Q5: What is the difference between a natural human hair wig and a synthetic wig?

A5: The main difference between a natural human hair wig and a synthetic wig is that a natural human hair wig is made from real human hair and can be styled and dyed like natural hair. A synthetic wig is made from synthetic fibers and cannot be styled or dyed.
